## It's a wrap!

Just like that, online assessments are over. And for most of you, that's the end of your studies for this year - hopefully you found a way to celebrate either virtually or in a socially-distanced way? For those of you who are not quite finished, keep going and celebrate when you get there too!

If you find yourself with free time on your hands, there's plenty of stuff you can get stuck into online - so don't pack away those notebooks and highlighters just yet! We've pulled together the range of online events, activities and resources available across the University onto one webpage.

## Message from the Vice-Chancellor

'We don't know what the autumn will bring, but we're planning against a number of different scenarios, such as whether current restrictions are eased and the extent to which we'll need to

ensure social distancing.'

Missed the email earlier today about the changes to the academic year 2020/21?

## Update re: capping and removal of marks process

We've updated our [Alternative Assessment Regulations pages](#) to reflect two changes coming into effect:

- If your first sit at a module took place on or after 1 August 2019, your resit and any subsequent retakes will now be automatically uncapped (providing you weren't already capped).
- You will no longer need to provide evidence to accompany an exceptional removal of a mark application.

Full details of the changes

## Reminder: resit period date change

Due to the current pandemic the resit period has been moved to later in the summer. It will now be from **Monday 3 August - Friday 21 August**.

The coursework submission deadline will be **14:00 on Monday 3 August**.

## SEND US YOUR BRISTOL PICS

Bristol is an incredibly photogenic city and we are all guilty of having an excessive number of photos of the Clifton Suspension Bridge and nowhere to put them!

Well, why not send them to us, for a chance to be featured on our social media (the definition of making it big). We'll of course give you credit for any snaps.

By sending us your pictures you'll be helping us celebrate your time at university and the wonderful city of Bristol!

So DM us your best pictures and look out for them on our social media!

## COMPLETE OUR COVID-19 SURVEY

The last couple of months have been a lot to adjust to for the UWE Bristol Student community and we want to make sure that you are being supported and listened to.

That's why we need you to complete our COVID-19 survey.

We want you to speak up and have your say on what your student experience has been like during this period.

We've put this survey together to get your views, so that we can support the University and ensure the changes being made have the student voice in mind.
