

## Reflective Practice in Social Work UZVSMF-30-2

### Module Schedule 2022-2023

- Work Based Learning (WBL) Days Reflective Practice Teaching (4 in total plus an induction session)** the 4 days are counted as placement days. If a Work Based Learning Day is missed, an extra day on placement must be undertaken.
- Placement days (66 in total)**– the days are numbered to show from 3<sup>rd</sup> October, however, days sick, reasonable adjustments or later start date might result in a later finishing time as agreed with the module leader, practice educator and practice tutor. These must be recorded correctly on the on-line timesheet by the student for recording and placement accounting purposes (**66 days + 4 days = 70-day placement**).
- Other modules: Always check the timetable for teaching as this may have changed since this schedule was produced**
- Holiday**
- Other module assessments/Portfolio submission/Practice panel**

If you know you will not complete your placement by week 31, you will need to amend this schedule to take account of that. You should already have had discussions with your practice team about your end date.

**Portfolio completion and submission should be as close to placement completion as possible, it should not be left to the date below.**
