People & Skills

Green Skills Pathway

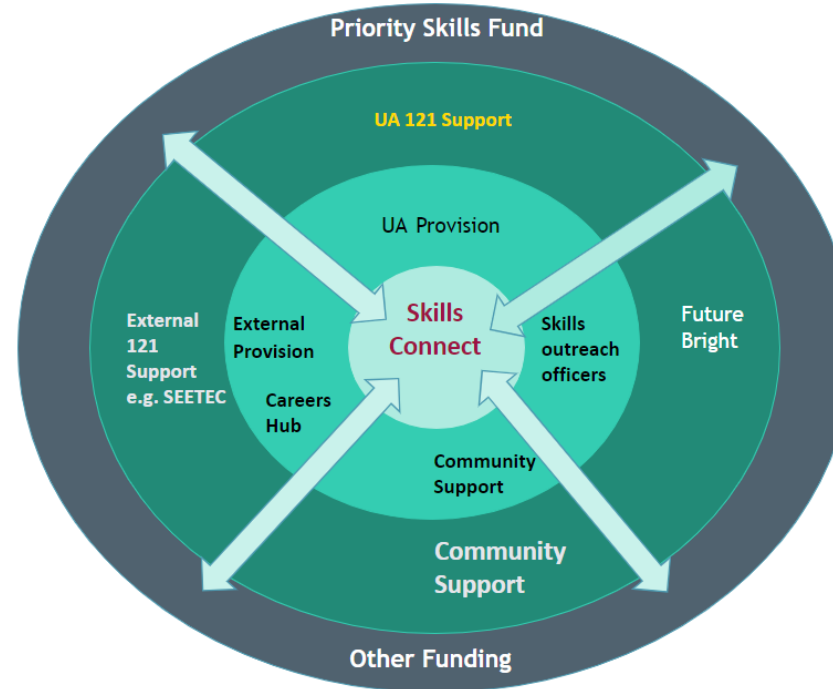

Skills Connect: simplifying the skills system

- **Simplify the landscape** and help people and partners to find the right support;
- Help residents/people into **good jobs** supporting them to **progress** within work, thus improving earning potential and quality of life;
- **Strengthen visibility** and take up of existing programmes so that they have **maximum impact**; and
- Deliver funded projects and provision which **address skills gaps, barriers** and issues identified through delivery of Skills Connect and **Mayoral Priority Skills Fund**;
- Support businesses to find the skills they need to **thrive and grow**.

**WEST OF
ENGLAND**
Combined Authority

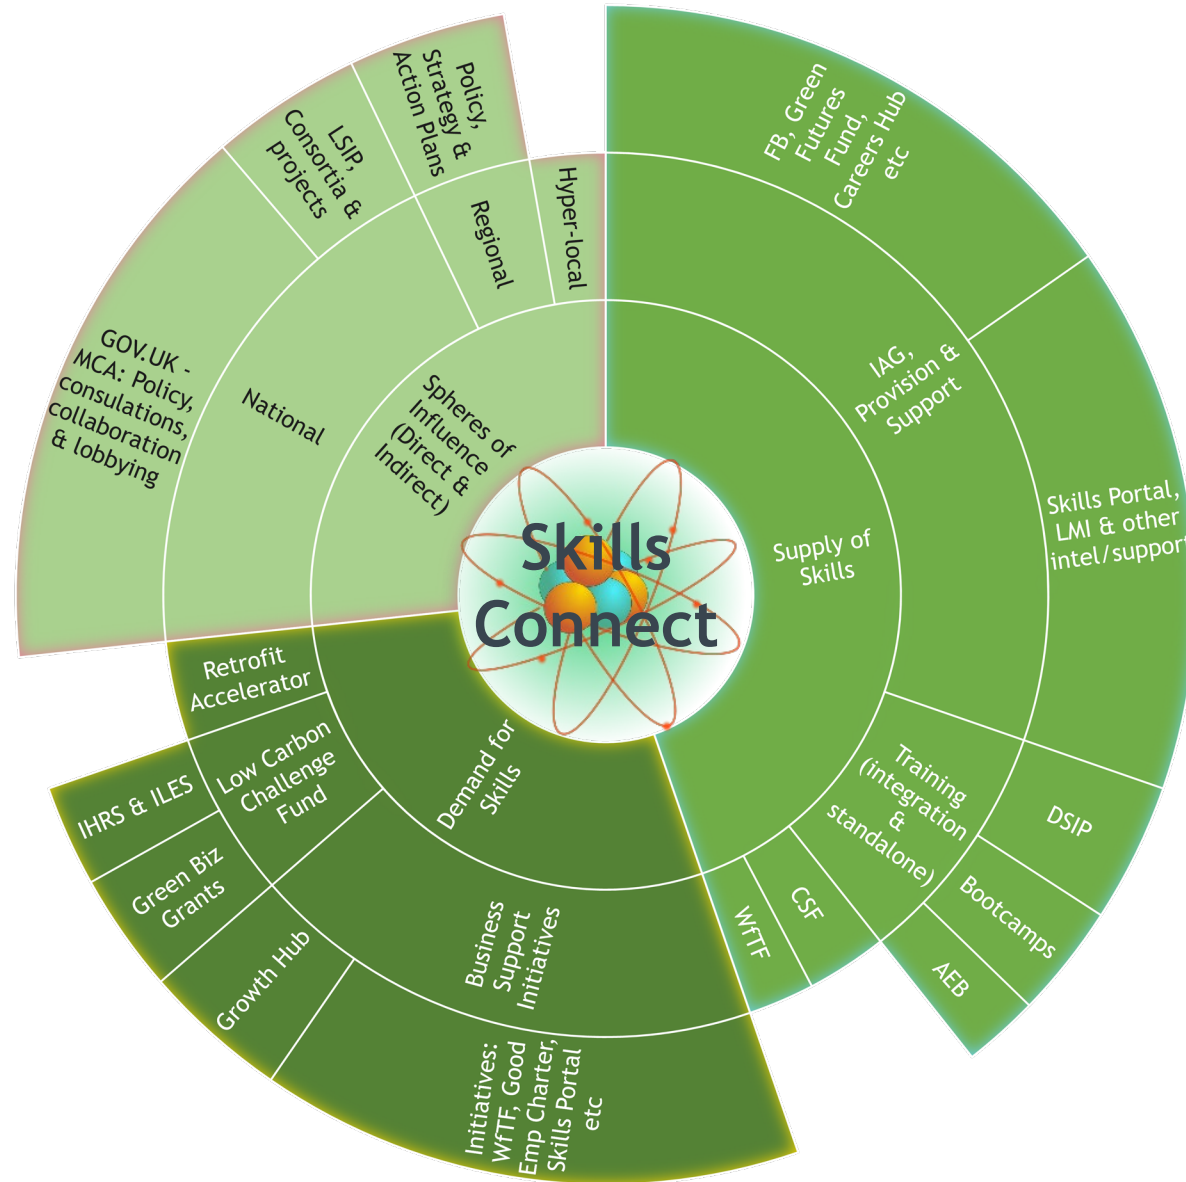

Light Touch Support
Medium Level Support
High Intensity Support

The Combined Authority will be responsible for delivery of the 'hub' light touch support. The Local Authorities will deliver the 'spoke' services (light, medium and high intensity support).

GREEN SKILLS SYSTEM APPROACH

Supply of Skills Spheres of Influence (Direct & Indirect) Demand for Skills
