### Description

ENSAPLV is one of the largest schools of architecture in France. Around a quarter of its students are international and around 150 exchange students arrive every year. This has resulted in a highly international and dynamic educational and research environment. ENSAPLV is located in a former warehouse and across two additional annexes. Its student association provides cultural and sport activities and can answer housing queries.

### Surrounding Area

Paris' monument-lined boulevards, museums, classical bistros and boutiques are enhanced by a new wave of multimedia galleries, creative wine bars, design shops and tech start-ups. Paris is the home of several of the most visited architectural landmarks, including the Cathedral of Notre-Dame-de-Paris; Sainte-Chapelle; the Eiffel Tower; and the Basilica of Sacre-Coeur on Montmartre.
