

## Information sheet for observations

# TALKING ROBOTS INFORMATION

Talking Robots is funded by the ESRC. We (researchers from UWE, Bristol) are recording here today. The still and moving images recorded will be used for research and educational purposes only.

We won't be focusing on you as an individual and you won't even notice we are here.

If you are unhappy about being observed, speak either to one of the researchers of the organisers, or a member of staff and we will direct you to an area where you will not be observed.

Thank you
