Code of Practice

- (a) The Students’ Union shall have a [written constitution](#).
- (b) The constitution shall be subject to the approval of the Board of Governors and shall be reviewed by the Board of Governors at intervals of not more than five years.
- (c) A student shall have the right to be a member of the Union, but may also choose not to be a member. Membership of the Students’ Union is accorded automatically to all new students, who need to apply to the Union for proof of membership which may be required in order to participate in certain Union activities. Students wishing not to be members of the Union must indicate their wish in writing to the General Manager of the Union at any time by completing the appropriate form, available from the Union or the Clerk to the Governors.

If a student wishes not to be a member in the following year, a separate form must be completed and returned at the beginning of each year of his or her course. A student remains a member unless and until he/she chooses not to be a member, following the procedure set out above.

Students who exercise the right not to be members of the Union shall not be unfairly disadvantaged, with regard to the provision of services or otherwise, by reason of their having done so. A student who has exercised the right not to be a member of the Union is required to resign any sports, societies or networks memberships or elected positions held and will be a non-member for the remainder of the academic year and may not stand for elected Union posts while a non-member; commercial and advisory facilities operated by the Students’ Union will remain available to student non-members.

- (d) The major offices of the Union shall be those which entitle the bearer to sabbatical leave, that is paid elected posts. The rules governing the process of election to sabbatical posts shall be provided for in the constitution. Such rules shall include that elections are conducted by secret ballot in a democratic process in which all members of the Union are entitled to vote.
- (e) The Union will be required to satisfy the Clerk to the Governors, on behalf of the Board of Governors, that the elections have been fairly and properly conducted in accordance with the Union’s election rules. If the Clerk is not satisfied she/he may give reasonable directions to ensure that the Board of Governors’ obligations under 5.22 of the Education Act are fulfilled.
- (f) The constitution shall stipulate that no person shall hold sabbatical office, or paid elected office, in the Union for more than two years in total.
- (g) The Union shall conduct its financial affairs in accordance with the provisions of the constitution.

The sabbatical officers of the Union, as trustees of an unincorporated association, are jointly responsible for overseeing all of the Union’s activities and for ensuring that the Union’s financial practices and procedures at all times comply with the requirements of the constitution, the Code of Practice and the law governing Students’ Unions and unincorporated associations. The Union shall incur no expenditure, and take no other action, which is inconsistent with the law relating to charities.

The Union shall maintain a system of internal financial planning and control which shall be subject to review by the University’s auditors. Management accounts prepared by the Union shall be subject to monthly review with the University’s Director of Finance.

Detailed estimates of income and expenditure for each financial year shall be prepared at least four months before the start of each financial year for joint consideration by the University and the Union. - (h) The accounts of the Union shall at the end of each financial year be audited by a public accountant in the active practice of his/her profession. The [accounts shall be published by the Students' Union](#) to all students and submitted by the Union to the University for consideration by the Board of Governors' Finance Committee.
- The audited accounts shall contain a list of the external organisations to which the Union has made donations in the period to which the accounts relate, and the details of those donations.

- (j,) The Union shall maintain a register of external organisations to which it is affiliated which shall show the name, category of membership and subscription fee. Amendments to this list may be made by resolution to the Executive Committee, Union Council or General Meeting. In the event of amendment the Union shall promptly publish that amendment in the Union magazine and to the Board of Governors through its Clerk.
- The question of continued affiliation to any particular organisation shall be decided upon by a secret ballot in which all members are entitled to vote, provided that:
- (1) 5 per cent of all student members have requisitioned such a secret ballot; and
 - (2) no such ballot on the same question as regards any of the current affiliations has been requisitioned within the preceding 12 months.
- (k) The audited accounts shall contain a list of organisations to which the Union was affiliated at any time in the period to which the accounts relate and the subscription fee paid in each case. In approving the annual accounts the Union Council shall thereby approve the list of affiliations.
- (m, n) The Union shall operate a [Complaints Procedure](#) which is available and made known to any student or group of students dissatisfied in their dealings with the Union. The Procedure shall be made known annually to all students through publications and/or notices displayed prominently. Complaints shall be dealt with promptly and fairly and where a complaint is upheld there shall be an effective remedy.
- The University Complaints Procedure is available to any student or group of students who claim to be unfairly disadvantaged by reason of their having exercised the right not to be members of the Union and shall include recourse to the Office of the Independent Adjudicator, being an independent party, should the University not be able to provide a response to the complainants satisfaction.
- This Code of Practice will be periodically reviewed by the University and the Students' Union and updated in accordance with any revised legislative requirements.

This Code of Practice is issued jointly by the University of the West of England and the University of the West of England Students' Union.
