

How to check Low Participation Neighbourhood (LPN1) eligibility via UK postcode

Students whose residential postcode is identified as 'Low Participation Neighbourhood' (LPN1) in POLAR 4 data are eligible for registration as UWE Bristol Heading Higher Passport Applicants

If you wish to check LPN1 eligibility of whole cohort please follow the process outlined below

- Create a password protected excel file containing; unique identifier number + full post code/student you wish to check (Please do not include individual student names)
- Email document to dom.harvey@uwe.ac.uk with 'HHP Plus postcode checker' in subject line
- Send second email with file password to dom.harvey@uwe.ac.uk

UWE Bristol will identify any LPN1 postcodes within the file and return to sender via email within 10 working days

School or college update student record for those identified as having an LPN1 postcode.
