

How to pay your fees

Education online courses

UWE Bristol

Sponsored students

If your tuition fees are being paid by an employer or other sponsor, please refer to the [employer or other sponsor](#) page. Employers and other sponsors must pay fees in full within 30 days. Payment plans cannot be supported.

Self-funded students

Fees for the academic year must be paid:

- in full prior to or at registration, or
- via one of the instalment options.

1. Paying in full

To make payment in full please refer to the [ways to pay](#) page and follow the international payments (via Flywire) link.

2. Paying in instalments

This means that you can spread the cost of your fees over a period of time. These payments need to be made from the student's account/card.

The option to pay by instalments is at the discretion of the University and may be withdrawn if you fall behind with your payments. You will then be expected to pay the outstanding balance immediately and in full.

To set up an instalment plan please refer to the pay by instalments section on the [ways to pay](#) page.

Direct Debit – If you have a UK bank account you can pay in this way. A direct debit (DD) is an instruction you must give to your UK bank to pay us direct.

Recurring Card Payment – If you do not have a UK bank account, you can pay in instalments in this way. A Recurring Card Payment (RCP) is an instruction for UWE to debit your card as per the instalment plans. You can opt to pay your tuition fees using any card type from any country, a UK bank account is not required.
