# Want to create your best future?

## You've come to the right place.

We have courses developed with your future career in mind, and facilities designed to inspire you. Choose us and you'll be welcomed into a community which will challenge, excite and support you, so you'll graduate with the skills and experience needed to stand out from the crowd.

Everyone here, from our students and staff, to our industry partners and alumni, is driven by the same goal – how can we make things better? If you share that same mindset, welcome to UWE Bristol. You'll be in excellent company.

Choose to study here and we'll focus on making sure you stand out from the thousands of other students who graduate every year in the UK. Our partnerships with industry-leading organisations and businesses help keep our courses relevant and your future skills in demand. And by

investing in our facilities we've created the most effective, empowering setting for your studies.

But don't just take our word for it. Today is your opportunity to see for yourself. Explore our facilities, chat to our students and passionate staff, find out about the wide-range of extra-curricular activities on offer and get a feel for the community you could be part of.

And finally, don't forget to have a look around Bristol before you leave. We're biased, of course, but it's hard to think of a better UK city to study and live in.

Remember, this is your university experience and no one else's.

**Choose to do university right.**

### What to do when you arrive

- On arrival head to the sign-in point to let us know you've arrived. The sign-in point is open between 09:00 and 13:00.
- Head over to the Information and Advice Zone, where you can talk to various support teams.
- Browse the next few pages for information on talks, tours and other activities throughout the day.

# Make the most of your day

From course talks to campus tours and drop-in sessions, today is your chance to experience what it's like to study at UWE Bristol.

## Learning and teaching

- Attend a department overview talk for a welcome to the department running your course.
- Head to a course talk for more information about the subject you're interested in.
- Don't forget our drop-ins with academic staff – your opportunity to ask teaching staff all your burning questions.

## Information and Advice Zone

From practical advice on the application process, to information about the range of support on offer, our experts are on hand to help guide you through the process of getting to university.

## Accommodation Zone

Whether you fancy campus life or the buzz of the city, we've got accommodation to suit everyone. Visit our open accommodation to get a taste of living on campus.

## Tours

- Get the full Frenchay experience by taking a guided campus tour of our buildings and grounds. Or pick up one of our self-guided tour leaflets and choose your own route.

## Extra-curricular activities

- Discover our fantastic Centre for Music. No matter what you're studying, you can learn and perform all kinds of music, from classical to pop, rock, electronic and experimental. There's something for everyone.
- Explore our Centre for Sport, providing fantastic facilities, activities and classes. Whether you're trying something new, or you're a high-performing athlete, you'll find everything here to keep active.
- Choose from around 160 societies, from astronomy and animation, to virtual reality and yoga. Check out the Students' Union building where many of our societies meet.

Representatives from all areas will be happy to talk to you during your visit.

## Take a break

- We have a number of restaurants, cafés and shops on Frenchay Campus, so you'll be spoilt for choice when you want to take a break.
- You'll also find complimentary refreshments in each academic department, and outside Starbucks in E Block.

## Finding your way

All the blocks are identified by colours, look out for the flags that correspond to your course in the programme to help you navigate.

If you have any accessibility needs please contact a member of our Events Team.

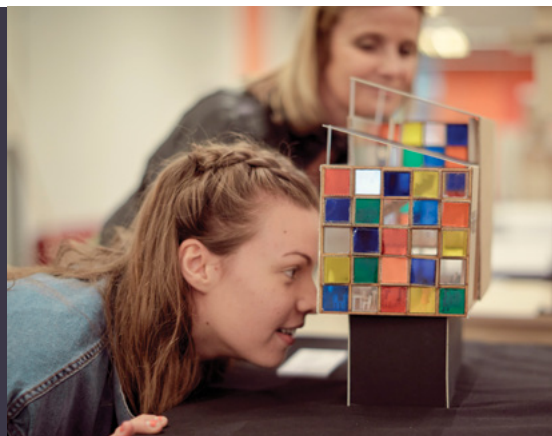

We also have pop-up information points dotted around the campus with our friendly Student Ambassadors to help you find your way around.

If you get lost or have any questions during your day, please come and speak to one of our team of staff and Student Ambassadors. We're here to help. Or if you're on Twitter, tweet your questions to our social media team using the hashtag **#UWEOpenDay**.

 **@UWEBristol**

## Showcasing graduate talent

While you're here, don't miss the chance to pop along to see some inspiring projects on display in R Block showcasing our graduate talent. Discover projects from across a range of disciplines including Architecture, Engineering, Geography and the Environment and Product Design.

## Student support services, tours and visits

Experts will be on hand throughout the day to answer your questions and show you around the campus and accommodation. This is a great opportunity to explore what's on offer and make sure you get the support you need.
