England

Want to create your best future?

You've come to the right place.

We have courses developed with your future career in mind, and facilities designed to inspire you. Choose us and you'll be welcomed into a community which will challenge, excite and support you, so you'll graduate with the skills and experience needed to stand out from the crowd.

Everyone here, from our students and staff, to our industry partners and alumni, is driven by the same goal – how can we make things better? If you share that same mindset, welcome to UWE Bristol. You'll be in excellent company.

Choose to study here and we'll focus on making sure you stand out from the thousands of other students who graduate every year in the UK. Our partnerships with industry-leading organisations and businesses help keep our courses relevant

and your future skills in demand. And by investing in our facilities we've created the most effective, empowering setting for your studies.

But don't just take our word for it. Today is your opportunity to see for yourself. Explore our facilities, chat to our students and passionate staff, find out about the wide-range of extra-curricular activities on offer and get a feel for the community you could be part of.

And finally, don't forget to have a look around Bristol before you leave. We're biased, of course, but it's hard to think of a better UK city to study and live in.

Remember, this is your university experience and no one else's.

Choose to do university right.

What to do when you arrive

- On arrival head to the sign-in point to let us know you've arrived. The sign-in point is open between 09:00 and 13:00.
- Head over to the Information and Advice Zone, where you can talk to our various support teams.
- Browse the next few pages for information on talks, tours and other activities throughout the day.

Make the most of your day

From course talks to campus tours and drop-in sessions, today is your chance to experience what it's like to study at UWE Bristol for yourself.

Learning and teaching

- Head over to a course talk for more information about the course you're interested in.
- Skills sessions are your opportunity to experience the teaching and learning approach of our courses.
- Visit our Physiotherapy and Sport Rehabilitation facilities and get a first-hand view of our practice rooms.

Tours

- Take a tour of our campus and see our grounds and buildings for yourself.
- Whether you fancy campus life or the buzz of the city, we've got accommodation to suit everyone. Visit a student flat and ask any questions you have.

Information and Advice Zone

- From practical advice on the application process, to information about the range of support on offer, our experts are on hand to help guide you through the process of getting to university.

Take a break

- Our main campus café, the Glenside Hub and the Glenside Student Centre will be serving a range of food and drink, so pop in here for a quick break.
- You'll also find complimentary refreshments in the Glenside Student Centre and The Hub Café.

Extra-curricular activities

- Choose from over 160 societies, from astronomy and animation, to virtual reality and yoga. Check out the Glenside Student Centre to find out more.
- Our £5.5m Centre for Sport on Frenchay Campus provides fantastic facilities, activities and classes. It doesn't matter whether you're a complete beginner or a high-performing athlete – you'll find everything you need here to keep active.
- Explore your musical creativity at our Centre for Music on Frenchay Campus, whether you're a born performer or happier behind the scenes.

Finding your way

If you get lost or have any questions during your day, please come and speak to one of our team of staff and Student Ambassadors. If you have any accessibility needs please contact a member of our Events Team. We're here to help.

Or if you're on Twitter, tweet your questions to our social media team using the hashtag **#UWEOpenDay**.

A male student with a beard and a female student with dark hair tied back, both wearing white lab coats, are focused on adjusting a piece of laboratory equipment. The equipment has a vertical white frame with several horizontal slots and beige-colored adjustment handles. The male student is on the left, leaning over and adjusting a handle near the top. The female student is on the right, also leaning over and adjusting a handle near the bottom. The background is a plain, light-colored wall.
