

ECONOMIC CRIME EXPERTS DIRECTORY CONFERENCE

Join us on 28th May 2026 at UWE Bristol

Launched in 2025, the Economic Crime Experts Directory (ECED) aims to connect academic researchers with key stakeholders.

This event will bring together members of the ECED, including economic crime scholars, leaders in law enforcement, government, industry and civil society.

The conference will be structured around the themes and priorities set out in the Economic Crime Areas of Research Interest (ARI) launched by the National Economic Crime Centre and the Home Office in 2025. It will provide an opportunity for all attendees to share knowledge with leading scholars and stakeholders in economic crime, to inform both national and institutional responses.

The conference is **free to attend** and will include a buffet lunch, coffee and refreshments for all attendees. However, spaces are limited and we encourage you to confirm your place at the earliest possible opportunity.

Registration now open!
