

Welcome to our
**Postgraduate
Open Day**

**Frenchay Campus
Saturday 23 March**

Considering postgraduate or professional study?

You've come to the right place.

We have courses developed with your career in mind and facilities designed to inspire you. Choose us and you'll be welcomed into a community that will challenge you while supporting you, so you'll leave us either ready to be better at what you do, upgrade your options or change your career.

Everyone here, from our staff and students to our industry partners and alumni, is driven by the same goal to make things better.

If you share that same mindset, welcome to UWE Bristol. You'll be in excellent company.

Choose broader horizons, more job opportunities and a skillset to match.

Our partnerships with industry-leading organisations and businesses ensure our courses stay relevant and that you're gaining up-to-the-minute skills. And by investing heavily in our facilities we've created the most effective learning spaces for you to thrive in.

But don't just take our word for it. Today is your opportunity to see for yourself.

Explore our facilities. Chat to our inspiring staff and friendly students. Get advice on applying, finances and how we'll support you. And find out about the huge range of extra-curricular activities on offer.

A Postgraduate and Professional Open Day is the perfect way to get a feel for the community you could join.

And finally, if you're new to Bristol, remember to have a look around before you leave. We're biased, of course, but it's hard to think of a better UK student city to live and study in.

Choose UWE Bristol.

Choose to do university right.

Make the most of your day

From course sessions to campus tours, today is your chance to experience what it's like to study at UWE Bristol.

Learning and teaching

Head to a course session for more information about the subject you're interested in. These sessions are your chance to ask academic staff all your course-related questions.

Information and Advice Zone

From practical advice on the application process, to information about the range of support on offer, our experts are on hand to help guide you.

Tours

- Get the full Frenchay Campus experience by taking a guided campus tour of our buildings and grounds starting from the sign-in points.

Extra-curricular activities

- Our £5.5m Centre for Sport on Frenchay Campus provides fantastic facilities, activities and classes. Whether you're a complete beginner or a high-performing athlete, you'll find all you need to stay active here.
- Choose from over 160 societies from astronomy and animation to virtual reality and yoga. Check out the Students' Union building where many of our societies meet.

Take a break

- We have many restaurants, cafés, and shops on Frenchay Campus, so you'll be spoilt for choice when you want to take a break.
- You'll also find complimentary refreshments in each academic school, and outside Starbucks in E Block.

Finding your way

We've listed the courses alphabetically and colour-coded them by buildings where they're taught, so you'll be able to find them easily:

- X Block
- E, Q, R and Z Blocks
- A, B, C, F and L Blocks
- S Block

The same colours are used on the campus map and on campus signage, so you can use this colour coding system to help find your way around. Maps are available at the sign-in point.

We also have pop-up information points dotted around campus where our friendly Student Ambassadors will point you in the right direction.

If you get a little lost or have any questions during your day, please speak to one of our staff or Student Ambassadors and they'll be happy to help you.

If you have any accessibility needs, please contact our Events Team by emailing open@uwe.ac.uk, or calling **+44 (0)117 32 82162**, or by speaking to a member of the team on the day.

If you're on LinkedIn or Instagram, message your question to @uwebristol and one of the team will respond as soon as possible. #UWEOpenDay.

@UWEBristol

Student support services

Experts will be available throughout the day to answer your questions and show you around the campus and accommodation. This is a great opportunity to explore what's on offer and make sure you get the support you need.
