

FRENCHAY TOUR

Welcome to UWE Bristol

Everyone here, from our students and staff, to our industry partners and alumni, is driven by the same goal – how can we make things better? If you share that same mindset, welcome to UWE Bristol. You'll be in excellent company.

It's all here for you

With over 35,000 students studying with us here in Bristol or at our partner universities overseas, we're one of the UK's most popular universities. We work across industry to identify skills shortages, develop courses and provide work opportunities for our students. With one of the largest paid internship programmes in the UK, we arranged over 10,000 placements in 2022/23.

Want to create your best future? You've come to the right place.

We have courses developed with your future career in mind, and facilities designed to inspire you. Choose us and you'll be welcomed into a community which will challenge, excite and support you, so you'll graduate career-ready with the skills and experience needed to stand out from the crowd.

91%

of our graduates are in work or
further study 15 months
after graduation
– Graduate Outcome Survey 2019/20.

CHOOSE YOUR PATH

Today is your chance to explore Frenchay Campus and get a feel for student life here. It'll probably take about an hour to cover the route, but if you fancy stopping for a cuppa or exploring further, you'll need a bit longer. Remember, this is your university experience and no one else's.

Choose to do university right.

Bristol Business School
Bristol Law School
-  Student accommodation

LET'S GO

Make your way to the Bristol Business School (X Block) where the tour will start.

- 1 In the Business School, visit our Bloomberg Financial Trading room, showcase law courts, Business Advice Clinic and Team Entrepreneurship spaces.
- 2 Come out of the Business School and you'll see our Students' Union building on your right. This is the home of over 160 sports and societies. Behind this is the Exhibition and Conference Centre and the £16.5 million West of England University Enterprise Zone (UEZ).
- 3 Standing with your back to the Students' Union, walk up the path that slopes upwards. To your right is the award winning School of Engineering building (Z Block) which opened in summer 2020. Go straight ahead and cross the road at the end and head right. Follow this road and bear left at the end where you'll see S Block on your right.
- 4 S Block houses the School of Arts and the School of Education and Childhood.
 - Turn right out of S Block. Walk round the side of the building and you'll see the Centre for Music across the car park. Pop in and find out more.
 - Retrace your steps back to S Block, then go down the steps and enter B Block, which is used by the School of Applied Sciences and the School of Social Sciences.
 - Follow the main corridor and you'll pass through The Forum Learning Zone where students have access to PCs for individual study or have group meetings.
 - Pass The Grill restaurant and further down the corridor go through the exit doors to the right which take you outside. Follow the wide steps down to the entrance of L and A block.

- 5 Many of our Social Science and Science courses are taught here. Our labs in L, K and J Block have recently undergone a multi-million pound refurbishment.
 - Turn into L Block and carry on walking straight ahead through another set of doors until you reach the exit doors of the building.
 - Exit L Block and walk across the courtyard passing the main Info Point on your left. Staying to the left, enter the building alongside the Info Point taking you into the covered corridor of E and D Blocks. On the right you'll see cash points and during term time a fruit and veg stall.
 - Back in the corridor on the left you can take the lift or stairs and head up one level.
 - You're now in the D Block foyer. To your left is the Employability and Enterprise Zone where you can access a range of support and careers resources.
 - To your right is the main entrance to the Library (D Block). Frenchay Library is open 24/7 in term time.
 - From the double doors by the Library you'll see the Community Hub. This is a quiet space where you can relax, study or meet friends.
- 6 Back in the D Block foyer, opposite the Library, is Onezone, the main student canteen.
 - From here you can visit the Maths Hub which is in E Block. Take the stairs or lift up to Level 3. Turn right and you'll see the Maths Hub study area and teaching rooms. Take the stairs or lift back down two floors into the covered corridor.
 - The main campus Info Point is to your right. From here, head straight along the corridor until you reach the double doors at the end. Go straight ahead up the steps or ramp and follow the path with orange handrails.

- 7 On your left is Q block, which houses the teaching spaces for the School of Computing and Creative Technologies and the School of Architecture and Environment. Inside staff and students will be working on new concepts and developing prototypes using the latest technology and simulation equipment.
 - Opposite is N Block, which houses Music and Creative Technologies, along with a wind tunnel used by engineering students..
- 8 Follow the path along and on your left you'll see our eco-friendly, award-winning Architecture and Built Environment building (R Block). This is home to an impressive suite of technology including integrated studios for computer-aided design (CAD) and architectural modelling resources.

Follow the path that slopes down to the left, and you'll reach our Frenchay student village where more than 3,000 students live.
- 9 Turn right, and look left between the accommodation buildings, and you'll see the Centre for Sport. This £5.5 million facility caters for all abilities and competitive natures. Come in and see what you can get involved in.
- 10 Standing with your back to the Centre for Sport, turn right and head around the student village, back to the Business School where you started. Pop in and see us at reception if you have any questions.
