

Virtual Open Day

Virtual Open Day live sessions

Applied Sciences – 10:00–11:00

Biological Sciences	FdSc Integrated Wildlife Conservation
Biological Sciences (with Foundation Year)	Forensic Science
Biomedical Science	Forensic Science (with Foundation Year)
Biomedical Science (with Foundation Year)	Wildlife Ecology and Conservation Science
Environmental Science	Wildlife Ecology and Conservation Science (with Foundation Year)
Environmental Science (with Foundation Year)	

Architecture and the Built Environment – 9:30–10:30

Architectural Technology and Design	Interior Architecture
Architectural Technology and Design (with Foundation Year)	Interior Architecture (with Foundation Year)
Architecture	Product Design
Architecture (with Foundation Year)	Product Design (with Foundation Year)
Architecture and Environmental Engineering	Product Design Technology
Architecture and Environmental Engineering (with Foundation Year)	Product Design Technology (with Foundation Year)
Architecture and Planning	Property Development and Planning
Architecture and Planning (with Foundation Year)	Property Development and Planning (with Foundation Year)
Building Surveying	Quantity Surveying and Commercial Management
Building Surveying (with Foundation Year)	Quantity Surveying and Commercial Management (with Foundation Year)
Construction Project Management	Real Estate
Construction Project Management (with Foundation Year)	Real Estate (with Foundation Year)

Art and Design – 10:30–10:50 and 13:30–13:50

Fashion Communication	Graphic Design
Fashion Communication (with Foundation Year)	Graphic Design (with Foundation Year)
Fashion Textiles	Illustration
Fashion Textiles (with Foundation Year)	Illustration (with Foundation Year)
Fine Art	Interior Design
Fine Art (with Foundation Year)	Interior Design (with Foundation Year)

Computer Science and Creative Technologies – 9:30–10:30

Audio Music Technology	Cyber Security and Digital Forensics (with Foundation Year)
Audio Music Technology (with Foundation Year)	Digital Media
Business Computing	Digital Media (with Foundation Year)
Business Computing (with Foundation Year)	Games Technology
Computer Science	Games Technology (with Foundation Year)
Computer Science (with Foundation Year)	Information Technology Management for Business (ITMB)
Creative Music Technology	Software Engineering for Business
Cyber Security and Digital Forensics	Software Engineering for Business (with Foundation Year)

Creative and Cultural Industries – 10:30–10:50 and 13:30–13:50

Animation	Film Studies
Animation (with Foundation Year)	Film Studies (with Foundation Year)
Creative and Professional Writing	Filmmaking
Creative and Professional Writing (with Foundation Year)	History
Drama	History (with Foundation Year)
Drama and Acting	Media Communications
English Language and Linguistics	Media Communications (with Foundation Year)
English Language and Linguistics (with Foundation Year)	Media Production
English Literature	Media Production (with Foundation Year)
English Literature (with Foundation Year)	Photography
English Literature with Writing	Photography (with Foundation Year)
English Literature with Writing (with Foundation Year)	

Education and Childhood – 10:30–10:50 and 13:30–13:50

Early Childhood	Education (with Foundation Year)
Early Childhood (with Foundation Year)	Education in Professional Practice
Education	Primary Education (ITE)

Engineering – 10:00–11:00

Aerospace Engineering	Electronic Engineering
Aerospace Engineering (with Foundation Year)	Electronic Engineering (with Foundation Year)
Aerospace Engineering with Pilot Studies	Mechanical Engineering
Aerospace Engineering with Pilot Studies (with Foundation Year)	Mechanical Engineering (with Foundation Year)
Automotive Engineering	Robotics
Automotive Engineering (with Foundation Year)	Robotics (with Foundation Year)

Geography and Environmental Management – 10:00–11:00

Civil Engineering	Geography BA (Hons)
Civil Engineering (with Foundation Year)	Geography BSc (Hons)
Environmental Management	Urban Planning

Law – 10:00–10:45

Business and Law	Law
Business and Law (with Foundation Year)	Law (with Foundation Year)
Criminology and Law	Law with Business
Criminology and Law (with Foundation Year)	Law with Business (with Foundation Year)

Mathematics – 10:00–11:00

Mathematics	Mathematics with Qualified Teacher Status
Mathematics (with Foundation Year)
