New UWE Bristol brand, results publication dates, assessment feedback and more // [View in a browser](#)

Over the next few months, you'll start to notice a few differences - we've updated our brand. This means we have a new look and feel to our communications, including a new logo, colours and imagery, and a clearer way of writing.

The changes we have made are based on a clear understanding of our audiences – and extensive research. Using your feedback, we've developed a brand that reflects what we stand for as an institution.

It's an exciting step forward in the way we present ourselves - we hope you like the results.
