Keep your belongings safe on campus

Unfortunately a number of cars have been targeted by thieves at Glenside recently.

We recommend that you keep all your belongings with you when you are on any UWE Bristol

campus. Don't leave items on display in your vehicle - even low value items can result in thieves taking a chance.

If you see any suspicious activity, please report it to an [Information Point](#) or the UWE Bristol Security team on **+44 (0)117 32 86404**. Our Security team are on every campus 24 hours a day, every day of the year.

Extensions not available for resit coursework

Five working day extensions are not available for resit coursework.

If you experience something major that affects your ability to submit a piece of resit coursework, you may be eligible to apply for [Extenuating Circumstances](#).

Talk to an Information Point for advice.

If you need advice or you think you've been a victim of fraud, please contact our [Money Advice and Funds team](#) or The Students' Union at UWE [Advice Centre](#) for support.

Volunteers needed to take part in a study of memory

One of our researchers is running a study into 'mnemonic neglect' (a pattern of selective forgetting in which threatening information is recalled less well than neutral or positive information).

Healthy volunteers are needed to compare how people with and without dementia remember information about the condition.

Taking part involves meeting with a researcher for around an hour.

Email us if you're interested in taking part
