## Support at the Exhibition and Conference Centre

[Student Support Advisers](#) will be at the Exhibition and Conference Centre (ECC) to give you advice during resit exams. You don't need an appointment - just drop in.

**Where?** Yssel room, ECC (follow the signs or ask a member of staff for directions).

**When?** Every weekday during exams between 08:45 - 12:45 and 13:15 - 16:15.

## Extenuating Circumstances for resits

Please be aware that if you decide to go ahead with an assessment, you're making a judgement that you're fit to do so and the mark you achieve in that assessment will stand.

You may apply for [Extenuating Circumstances](#) if something major affects your ability to submit coursework or attend an exam.

Normally you cannot apply for Extenuating Circumstances for assessments you have done – however there are two exceptions where you may submit an application. In these cases if your application is accepted the mark you achieved will be removed.

Please talk to an Information Point for advice as soon as you can (ideally before submitting an application).

## Great news for graduate employment rates

Latest figures show that we're leading the way for graduate employability, performing above the UK average.

96% of our graduates are in employment or further study six months after graduating, with 78% in professional roles (compared to a national average of 94% and 71% respectively).

This jumps up to 99% in work or further study 3 and a half years after graduation (compared with a national average of 97% and a Russell Group average of 98%).

It's also good news for those of you currently building up your work experience – more than 90% of graduates who worked with an employer during their degree found professional jobs.

## EU referendum result

We're sure the result of the EU referendum has raised a lot of questions and concerns for you.

UWE Bristol is proud of its strong, diverse and multicultural community – the vote doesn't change that. We're proud to unite around our motto of Light, Liberty and Learning. The desire to learn knows no boundaries. We are proud to be an inclusive, open and welcoming university.

As it will take at least two years to exit the European Union, the full impact of the vote will become clearer over the coming months and years. We'll share information as it becomes available and we'll continue to nurture and celebrate the rich diversity of our university community.

We're aware that this referendum has given rise to a number of challenges across the UK, including social cohesion, tolerance and diversity. If you have any concerns about behaviour you have witnessed, or have been subject to, please contact the [Information Point](#) on **+44 (0)117 32 85678** or email [conduct@uwe.ac.uk](mailto:conduct@uwe.ac.uk) – we'll look into it and advise you.
