## Hello!

August is here and although you've still got a few weeks of summer left to enjoy, we're starting to think about the new academic year.

We'll be telling you about some of the key things you need to do over the next few editions of yourUWE, but in the meantime you can find all the information you need to get the year off to a good start on our [returning students' web pages](#).

Resit results will be out soon, and we hope you've all done well. If you have any questions or concerns about your results our [Information Points](#) are here to help.

## Results publication and next steps

Many of you will receive results via myUWE next week - check exact dates on our [results publication dates web page](#).

If you pass all your resits and have therefore completed your degree, congratulations! You'll soon receive an invite to a graduation ceremony.

If you pass all your resits and you're continuing with your course in September, you'll soon be able to register for the next academic year. Keep checking myUWE for the Registration tab (you might not be able to see it right away).

If you do not pass all of your resits, our [resit results web page](#) will tell you what happens next.

### Register for your next academic year now

If you've passed all of your modules, you can register and pay your fees for the next academic year via the Registration tab in myUWE.

It shouldn't take long and if you do it now it'll be one less thing to do at the start of term.

Everything you need to know about the next academic year (including guidance on how to register) is available on our [returning students' web page](#).

## Blackboard upgrade

We'll be upgrading Blackboard later this month to fix some issues and introduce new features.

This means that Blackboard will be unavailable between 07:00 on Monday 22 August - 09:00 on Wednesday 24 August.

Please download anything you may need from Blackboard in advance. If you have any questions, please contact our [IT Helpdesk](#) on +44 (0)117 32 83612.

## PebblePad upgrade

PebblePad is an e-portfolio tool available via Blackboard - you might have used it for some of your assessments.

It's currently being updated with a new look and feel to make it easier to navigate and use.

If you have been using it don't worry - all of your assets will be available in the new version and you'll be guided through the new layout when you next log in.

## Timetables for the 2016/17 academic year

Most of you will be able to view your timetable in myUWE from 12:00 (midday) on Wednesday 7 September.

For PGCE and Bristol Institute of Legal Practice (BILP) courses the dates slightly differ - so double check [timetable publication dates](#).

## Thinking about changing course?

If you are thinking about transferring course or making a change to your studies, we recommend that you discuss your options with a Student Support Adviser as soon as you can. They'll be able to explain the process and any implications of changing.

You can book an appointment via any [Information Point](#).

If you do decide to submit a request to transfer course, we've moved the form online to make things a bit easier for you.

## Community Garden action day

Join us on Wednesday 10 August to help out at the Frenchay Campus Community Garden. We'll be planting and harvesting fresh vegetables - you might even be able to take some home!

You can stay for as long as you want, even if it's just 15 minutes.

### Update on development work at Bower Ashton

If you haven't been on campus recently, when you come back you'll notice that development works are progressing well at Bower Ashton.

We're starting to lay the foundations for the new film and media building, installing new sprung floors in the A block drama studios and refurbishing the photography area of B block.

Due to the refurbishment of the photography area, Level 3 of B block is now out of bounds until Friday 2 September. We'll do everything we can to minimise the noise, but there may be some disruption.
