## Brexit and the University

You'll already be aware that last week the Prime Minister triggered Article 50 – the formal process for the UK to leave the European Union. We're very conscious the next couple of years may be unsettling for all of you whether you're from the EU or not.

Just remember, the world is a very small place and there is much more that unites us than divides us. We must support each other to work through the uncertainty and ensure that we focus on our future. At UWE Bristol we are one rich and diverse community and will continue to celebrate and embrace this.

## Reminder of our Smokefree Policy

Our Smokefree Policy states that anyone smoking on campus is not allowed within 10 metres of our buildings. Our policy is here to protect the right of non-smokers from the effects of passive

smoking – smoking near to a building results in smoke entering windows or doors and can result in others having to walk through a crowd of smokers to access a building.

Working together we can ensure we have healthier, smokefree campuses.
