## Summer is just around the corner

It's already May, which means longer days, bright sunshine (sometimes)... and exams.

If you're in the midst of exams, we hope they're going well. Remember, if they're not going as planned, get in touch with a Student Support Adviser via an [Information Point](#) for advice.

If you'd like some pointers about coping with exam anxiety, we have an [emotional resilience animation](#) that can help.

Also, if you've not yet had a chance to wander around the new Bristol Business School building, we recommend it. The café is now open and is a great spot for chilling out (or revision!).

## Extenuating Circumstances

If you need to submit an [Extenuating Circumstances](#) application because you can't sit an exam, do it as soon as possible.

If you decide to sit an exam you're making a judgement that you're fit to do so, and so you cannot normally submit an application. There are only limited circumstances where you can apply for Extenuating Circumstances after attempting an exam.

If you need advice or clarification, please get in touch.

## Support at the Exhibition and Conference Centre

Student Support Advisers are in the Yssel room in the Exhibition and Conference Centre every day throughout the exam season. They can answer questions about missing or falling ill in an exam, problems with reasonable adjustments and Extenuating Circumstances.

You don't need an appointment - just drop in between **08:45 - 12:45** and **13:15 - 16:15**.

Of course you don't have to wait until the day of your exam to ask a question – it's always best to get in touch with them via an Information Point sooner rather than later.

## Academic success workshops in May

We're running our study skills workshops throughout the exam period. Topics include 'How to put your reading into your writing' and 'How to improve your critical writing'.

## Resit coursework is now available on Blackboard

If you've received your provisional coursework marks and you know you haven't passed you can get started on resit coursework now. If you wait until you have your final results, you'll only have 3 or 4 weeks to turn it around - so get a head start!

The resit coursework deadline is **Tuesday 11 July**. Get in touch if you have any questions or have issues impacting your ability to attempt your resit coursework.

## HAVE YOU REGISTERED TO VOTE?

You need to register by **Monday 22 May** to be able to vote in the General Election on Thursday 8 June.

If you aren't sure whether you'll be at your term-time address or back at home, you can register at both addresses and vote wherever you are on the day.

We have paper registration forms in Frenchay Library, Cotswold Reception and Wallscourt Reception - and we'll be around giving out snacks to people who register!

### Frenchay Library summer refurbishments

We've listened to your feedback and are pleased to announce a range of improvements to Frenchay Library - we'll complete the work during the summer ready for use in the autumn term.

As a result of the works, both Level 4 and Level 5 will be closed at periods during the summer. Please borrow any books you may need from all floors before 16:00 on **Friday 19 May**. Library staff will also be providing a 'fetch and carry' service, in case you need books later in the summer.

**Glenside:**

### Quiet floor of Glenside Library temporarily closed

The quiet floor of Glenside Library is closed for redecoration until Wednesday 10 May. There's no access to print journals but most are available online. The ground floor is still open but there may be some noise disruption.

Alternative study spaces are available in the Glenside Learning Zone near Traders and at Frenchay Library which has a quiet and a silent study floor open 24/7.
