Manchester and London terrorist attacks - advice for students

You will all have been saddened by the recent terrorist attacks in Manchester and in London.

The advice we have received from our local Constabulary is that they have no intelligence that suggests an imminent threat in the South West. They have reaffirmed that they are taking all possible steps to keep people safe.

It is, however, important that we all remain calm and vigilant. We have put together a reminder of how to report suspicious activity both on and off campus.

Advice for students

Changes to bus services in Bristol

Just a reminder that many of the bus services in Bristol are now running reduced timetables for the summer. Some services, including the 'UWE' and X14, have been suspended.

If you need to travel to Frenchay Campus from the City Centre, we recommend you use the 48a, 70, 71 or 72 - all of which are direct. As always, please give yourself plenty of time to get here.

Up-to-date travel information, including a route planner, is available on the [Travelwest website](#).

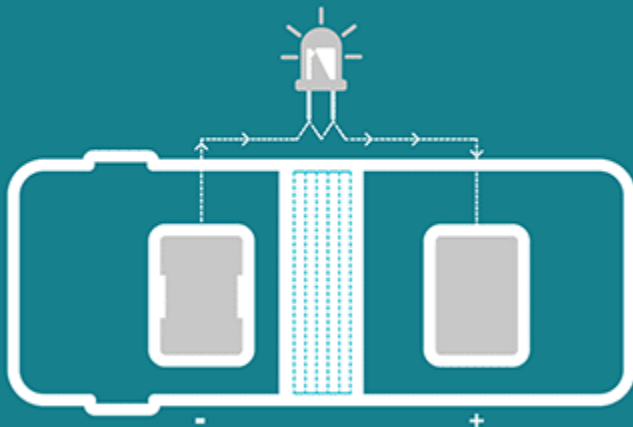

In case you missed it...

We're teaming up with Glastonbury Festival

We're delighted to announce a five-year partnership with Glastonbury Festival!

Our students and researchers will be focusing on sustainability projects - like helping with waste reduction and energy efficiency, and encouraging festival-goers to use our Pee Power urinal to turn urine into electricity. More on that below!

How does the Pee Power urinal work?

One of our Masters Researchers, Olivia Reddy, has written a blog post explaining how we use urine from Glastonbury Festival to produce electricity.

Olivia will be taking over the UWE Bristol Snapchat account (uwebristol) at Glastonbury from Friday 23 June to share more about the research - make sure you check out her story!

Remember to download your documents

You'll lose access to university IT systems 42 days after your course finishes – this includes myUWE, Blackboard, your H Drive and OneDrive.

Make a note to download anything you may want in the future – like your [Higher Education Achievement Report](#). It's best to do this once you've received your results.

We're refurbishing Traders this summer

We're starting work on the refurbishment of Traders next week! From September you'll have more space for group work as well as a new café area.

We are setting up a temporary catering service in 1H16 from Monday 19 June, where you'll be able to get a selection of hot and cold meals, sandwiches, snacks and drinks. This will be open Monday - Friday from 08:00 - 15:00.

The Students' Union will also be offering hot and cold food and drinks, open Monday - Friday 08:00 - 15:00.

We expect the work to be finished by the end of August.

Relocation of IT computers and equipment

As part of the Traders refurbishment, 1H001A will become a sandwich bar. We want to make sure you don't lose access to any of the IT equipment that's currently in there, so we're relocating it to other areas of the campus.

Five of the PCs will be moved to the quiet study space upstairs in Glenside Library.

The other two PCs and the printer are moving just across the corridor to 1H41 (the Learning Zone).

The Helpdesk in the Learning Zone will be removed to accommodate the extra equipment, but you'll still be able to get IT support from the Helpdesk in the Library.

JOIN US AT GLENFEST!

Join us at our GlenFest garden party on **Tuesday 4 July, 16:00 - 23:00** at the Students' Union at Glenside.

We'll have a BBQ, lawn games, bouncy castle, sumo wrestling suits, an open mic, poetry, face painting, stalls and more. Everyone is welcome - so bring your family, children and friends!

We're looking for volunteers to help us on the day - you could perform, run a game, organise a craft activity or host a stall. If you'd like to take part, email Marianna, our Glenside Campus

Community Co-ordinator (marianna.musset@uwe.ac.uk).

GlenFest is a cross society collaboration with the Occupational Therapy, Mental Health, Children's Nursing and Adult Nursing societies.

Car parking reminder

We have received several complaints from our neighbours about students parking around Alexandra Warehouse. Please remember that there is no student car parking around the campus.

From Monday 19 June there will be increased patrols from the parking management team and if you choose to park in the vicinity of the building you may be fined.
