Student Support Advisers on hand at the ECC

Student Support Advisers will be at the Exhibition and Conference Centre (ECC) throughout the exam season to give you immediate advice and support. You don't need an appointment - just drop in.

They'll be in the Yssel room at the ECC every weekday between 08:45-12:45 and 13:15-16:15 if you need advice.

Reduced bus services

Several of the bus services are running reduced timetables for the summer - and some services have been suspended, including the 'UWE' and X14. If you're travelling from the centre to Frenchay Campus, we recommend the 48a, 70, 71 or 72.

If you're travelling from this direction, make sure you leave yourself enough time to get around - especially if you have resits!

Delays on the ring road

Bromley Heath viaduct, part of the A4174 ring road, is undergoing a £5.9 million strengthening programme from July 2017 until March 2018.

The council expects significant delays on this section of the ring road during the works.

As always, leave yourself enough time to get to campus.

Windows 10 upgrade has started

Work has been begun to upgrade student computers to Windows 10, the latest operating system from Microsoft. If you're here over the summer, you may start noticing it on some machines. You'll still be able to use all the features and programs you currently use, but the desktop and start menu will look different.

Frenchay Library summer works - reminder

Don't forget that some of Frenchay Library is temporarily closed for refurbishments. Library staff are providing a 'fetch and carry' service for books on floors which are closed – it'll be clear on your Library

Search results if the book you need is located on a level which is temporarily closed, and you'll be able to request that a member of staff fetches it for you.

Due to the noise generated by the refurbishments, silent and quiet study spaces can't be guaranteed, but alternative [study spaces](#) are available in the Library and across campus.
