## We won gold!

We're all pretty chuffed here... as you may have seen, last week we were awarded gold in the Teaching Excellence Framework (TEF).

This means assessors have found the teaching at UWE Bristol to be consistently outstanding and of the highest quality found in the sector. Our graduate employability outcomes and personalised learning were particularly praised.

We're really proud of this result and think it's something to shout about! #UWEGold

We're pretty sure that no-one enjoys exams but we want you to have the best experience possible as you sit them - so we've created a short survey to capture your feedback.

It'll only take two minutes of your time and it's anonymous.

## Rail travel disruption - 16 June to 6 July

From Saturday 16 June to Friday 6 July, Network Rail will be carrying out work to install electrification equipment between Patchway and the Severn Tunnel. Network Rail say the work will enable more trains and reduced journey times from 2019 and mean quieter, greener journeys.

Lines between Bristol Parkway, Filton Abbey Wood and Severn Tunnel Junction are closed for the duration of this work. Rail replacement buses will be running between Bristol Parkway and Newport, leaving every 30 minutes.
