You'll find answers to all of these questions and more in our [assessment FAQs](#).

Moving out of your accommodation?

Donate your unwanted items to raise money for the British Heart Foundation and save reusable goods from ending up in landfill at the same time.

In the last five years, more than £1million worth of donations have been collected through the Bristol Big Give.

You'll find donation banks around the city and on Frenchay and Glenside campuses, making it easy to drop off your unwanted books, clothes and electrical goods.

Sexual violence climate survey

As part of our [Speak Up](#) campaign, the university is conducting its first ever sexual violence climate survey.

By understanding the extent of the issue (both incidence and perception) we'll be better placed to improve our response to reports of sexual violence. Our aim is to improve safety on our campuses and better support victims of sexual violence.

The survey is completely anonymous and asks questions that not only relate to your opinions about social norms surrounding sex, but also about your experiences at UWE Bristol. We're looking for all students to complete the survey, even if you haven't witnessed or experienced any of the situations described, so we can get as full a picture as possible.
