Report and Support

Inappropriate Behaviour
Appropriate Action

We've launched Report and Support

What is Report and Support?

We want to create an inclusive campus where diversity is celebrated, antisocial attitudes and behaviours are challenged and any type of harassment, assault and discrimination are not acceptable. For that reason, we have launched a new online reporting system called Report and Support to make the reporting process clearer and simpler.

How can I use Report and Support?

We want you to Speak Up when you see or hear something that it is not right. Report incidents online anonymously or leave contact details, and explore support options available to you.

In the last five years, more than £1million worth of donations have been collected through the Bristol Big Give.

You'll find donation banks around the city and on Frenchay and Glenside campuses, making it easy to drop off your unwanted books, clothes and electrical goods.

If you have items you no longer want that aren't suitable for the Big Give, you can find advice on the [campus accommodation](#), [Bristol City Council](#) and [South Gloucestershire Council](#) web pages.
