PRESIDENTS HANDOVER

It's almost time to say goodbye to our current Presidents who will be handing over the reins to our new team on **Friday 25 June**.

Our Presidents Team has created a number of successful campaigns during their time here, such as A Year in Conversation with Augusta, Decolonising the Curriculum and In My Language. And they worked hard to ensure that the student voice was heard during the pandemic and we would like to thank them all for a great year and wish them luck with the future.

BRISTOL BIG GIVE AND MOVING OUT

Moving out of Bristol for the summer? Or are you just feeling the need for a deep cleanse and clean of your personal space?

The Bristol Big Give campaign is run every year by the Bristol Student Community Partnership, which is a collaboration between UWE Bristol and University of Bristol. Its aim is to encourage students to donate any unwanted items before moving out of accommodation which are then given to charity, instead of throwing them away and creating waste.

Your new Presidents team will spend the next year representing the UWE Bristol student community to all levels of the University. We look forward to working with them and seeing what they have in store for us for the 2021-22 academic year.

THE STUDENTS' UNION'S 50TH ANNIVERSARY

As we emerge from the COVID-19 pandemic we are very proud to be able to celebrate the 50th anniversary of The Students' Union at UWE.

Our organisation has seen many changes over these years from being a polytechnic, the opening of the Halley Nursery, the closure of the campus at St Matts, moving from F block to the new U Block Students' Union and the redevelopment of Bower Ashton to name a few.

We'll be celebrating in a number of different ways from discussion panels to markets, so keep your eyes peeled and join us for a celebration!
