Externally Examining Partnership Provision

Why we partner and how we choose who to partner with

- Creating a global classroom to benefit students and staff
- TNE – Brand and reputation
- Choice based on strategic fit and academic quality
- Extensive due diligence and approval process

Support for partnership working

- Link Tutors
- Partnership Leads
- Operational Support
- Staff Development
- Annual Monitoring

Delivery and quality assurance of partnership provision

- Shared module materials
- Moderated assessments
- Joint examination boards

External Examiner Roles in Partnership Provision

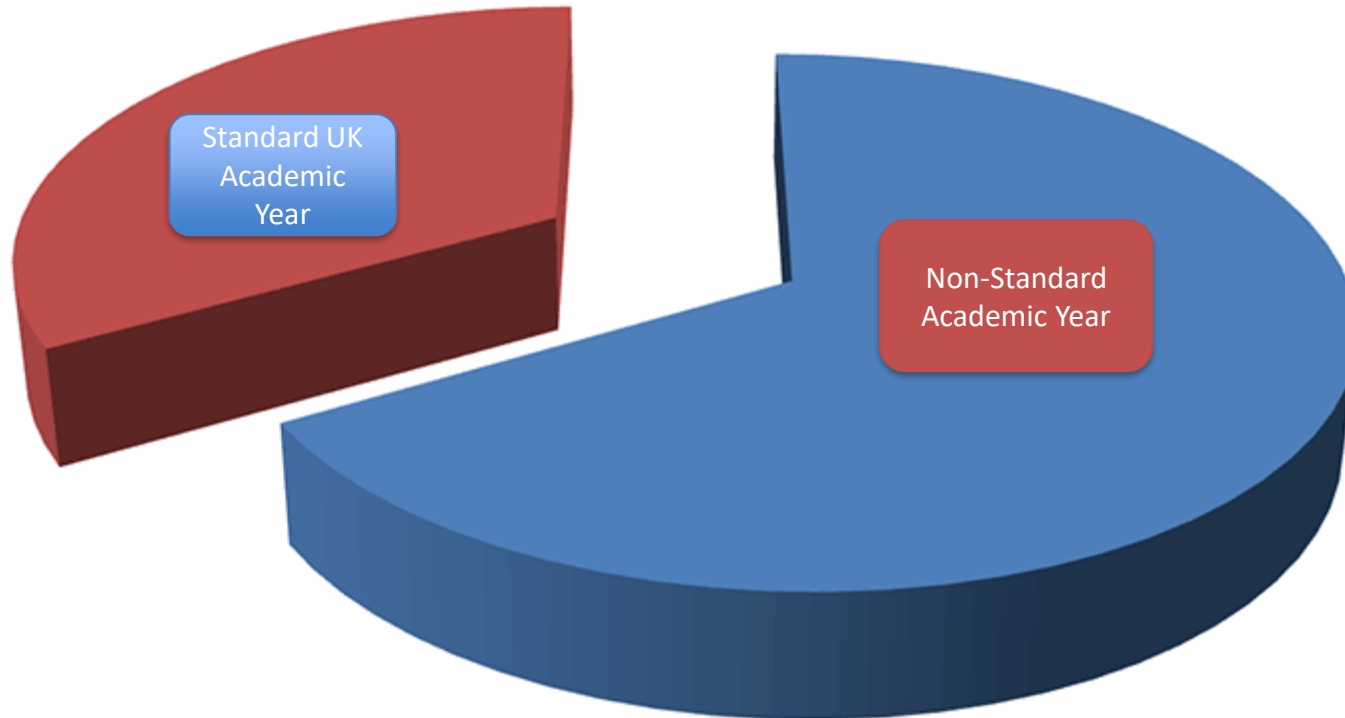

- Extension of oversight beyond the provision at UWE Bristol
- Assurance of comparability and consistency of provision and awarding across delivery locations
- Being a critical friend for partner specific situations

A dedicated team

Working with differing norms

Partner support systems

Site Contents

The British College, Nepal Operational Site

Welcome to our Operational SharePoint site.

This is the place where we will exchange and store details relating to student records, assessment and results. We will also use the site to evidence ongoing quality monitoring activity of individual assessment and overall provision.

Copies of Academic Agreements and Schedules, Approval Documentation and Partnership board documentation can be found on the [Approval Sharepoint](#) site

The [Operational Plan](#) outlining the key events and deadlines for the academic year can be found in the Operational Support area - click on the title to the left to access this.

Guidance on processes, policies and regulations can be found in the [Operations Manual](#) along with relevant forms.

For a complete list of all of the programmes that UWE runs in partnerships including staff contact details please refer to the [Partnership Operations List](#)
